FOR ANYONE
*with limited access, or who cannot
afford certain healthcare services*

At Portland Adventist Academy
1500 SE 96th Avenue, Portland
July 8 and July 10, 2022

Impact Your Health PDX is a non-profit clinic that provides basic Dental, Vision, and Medical services at **no cost** to the patient. The 2022 clinic will be the fifth of the IYHP clinics. All services are provided by licensed healthcare professionals who are donating their time to care for the underserved in our greater Portland community.

The 2021 clinic served more than 450 patients. We expect the 2022 clinic will serve even more. All patients will be seen on a **first-come, first-served** basis.

Dental services include FREE hygienist care, cleanings, extractions, and fillings.

Vision services include FREE eye examinations, vision needs counseling, and fitting for glasses. Free lenses and frames will be available for patients in about 8 weeks.

Medical services include FREE "office visit" consultations and "back-to-school physical examinations." *IYHP does not provide urgent care or emergency room services.*

Additionally, IYHP provides free health-coaching, childcare, massages, haircuts, back-to-school backpacks, COVID vaccinations, and chaplaincy counseling.

Please note that the clinic is open from 8-5 on Friday, July 8, and 8-5 on Sunday, July 10. All services will be provided at Portland Adventist Academy, 1500 SE 96th Avenue, Portland. (Near the Green Line SE Main MAX stop and Mall 205).
